BUSINESS DIRECTOR APPOINTED

Tiziana Sucharitkul, Secretary and Chair of the Steering Committee of the Foundation Board

After a rigorous selection process involving multiple rounds of interviews, the selection committee, which comprised of members from the Foundation Board and Steering Committee together with Matt Mills and representatives from both the academic and business side, has appointed Craig White to be our Business Director. Many of you will know Craig well as he has been serving in the role of Interim Business Director since last July, during which time he has worked tirelessly and contributed immensely to the Bangkok Patana community.

We are all very pleased to have Craig continue in this role on a permanent basis and very much look forward to many years of working with him to continue our journey of growing, developing and improving the wider Patana community. Please join me in congratulating Craig on this appointment.
